## What does Ellel 365 include?

### DAILY TEACHING

*Ellel 365 begins with 365 daily units of teaching written by Peter Horrobin (International Director of Ellel Ministries). You can do it in a year or take as long as you like! For ongoing subscribers an ever-increasing library of online resources will become available.*

### ACCESS TO TUTORIAL TEAM & QUESTIONS ARCHIVE

*Each active subscriber is able to send questions, related to the teaching content, to the Ellel Tutorial Team through an online Questions Forum. This also includes an invaluable resource of previously asked questions.*

### AUDIO & VIDEO

*Every week an audio and video teaching is released for you to enjoy online. This resource alone would cost more than the annual price of Ellel 365, but it is part of the subscription.*

### OPTIONAL ONLINE ASSESSMENT & CERTIFICATION

*You can choose to take an optional monthly online assessment. Each assessment will be based upon the previous month's teaching content. At the end of the 365 days there will also be an optional final assessment which, if passed, will lead to an Ellel 365 Certificate.*

### COMMUNITY

*Ellel 365 is all about personal transformation - a journey that you embark on with the Lord. However, there are others on the journey too and part of the vision for Ellel 365 is that you are able to interact with each other in an online community via the 365 Forum.*

### How Ellel 365 can benefit you in the comfort of your own home!

*Establishes a solid rock of timeless truth in your life • Identifies issues which are stumbling blocks to your Christian growth • Equips you to overcome problems and receive God's healing and wholeness • Helps you fulfil your spiritual destiny • Provides fellowship and encouragement along the way • Enables you to support the worldwide mission of Ellel Ministries*
