"Thank you from the bottom of my very grateful heart! I'm now on Week 6 and each week I think this wonderful teaching can't get any better, but it does! It all makes perfect sense. How great is our God! I am amazed at the things I am learning – I wish I'd had something like this when I first became a Christian"

"My relationship with my Lord is deepening day by day. I am now in Week 7 and eagerly await the next 45 weeks of teaching. The first 7 weeks have done so much already that I almost feel breathless at the thought of what's yet to come. I so long for everyone to experience what I'm now experiencing."

"Definitely worth it! My formerly derailed destiny in life is being put back on the fast track!"

"This journey becomes more exciting every day. I have dealt with many issues in my own life that I once took for granted. It is hard to express in words the way I feel."

"The teaching is extraordinary and beautiful. I am amazed at what I am learning, but sad that many, many Christians have never heard these truths. It's definitely worth every second spent online. My prayer group is amazed at what I am learning!"

"It feels like streams of living water bursting forth in the desert."

"Just what I needed to put my relationship with the Lord on firm and clear foundations."

"Today's lesson drew me in to the holiness of God at a deeper level than ever before. I found myself weeping over the sense of His Holy presence. It is so wonderful to sit under this fountain of truth in a dry and weary land. My heart is soaring with this teaching."

"The daily teachings are like a breath of fresh air for us. This course is a life-line!"

"I have had a major breakthrough in my life – the teaching is already transforming my relationship with Him."

"Ellel 365 is the best thing to happen to me at this time in my life."

TOTALLY LIFE CHANGING – AMAZING VALUE

Ellel 365

Personal Transformation - One Day at a Time

Nearly 3000 years ago Habakkuk the prophet said, "Write down the revelation, make it plain on tablets, so that a herald may run with it" (Hab. 2:2).

In today's world the waxed tablet has been replaced by a website and the legs of the herald are the Internet!

Ellel 365 has been written down and is now bringing hope and healing, teaching and training to people in every country of the world.

Peter Horrobin
International & Founding
Director of Ellel Ministries

Peter Horrobin Writes:

"Over the past 25 years, tens of thousands of people have been on Courses and Retreats at Ellel Centres. They have discovered and applied the truths that have really set them free (John 8:32) and equipped them to help others. The lives of many have been changed forever.

NOW, I have condensed 25 years of concentrated teaching and experience, into 365 life - transforming units. This is the heart of Ellel 365! These are the truths that have changed lives and set people free in every continent of the world.

And they are available for you, right now, online wherever you are! You can sign up today for this ground-breaking healing and discipleship programme and begin your own journey of personal transformation."

Ellel 365 is the most important thing I've ever done. My wife and I are on week 49. The power of the Holy Spirit through the teaching has been tremendous. I wish I'd had this brilliant teaching when I first became a Christian - it's reality! Every week there's always something that impacts your life. I can really endorse Ellel 365 - it's tremendous.

John Sandford
Co-Founder of Elijah House Ministries

"Ellel 365 is possibly the most relevant and pertinent tool of ministry I have discovered. If you are serious about being effective and influential in today's society - wherever you live and work - then Ellel 365 is for you! Ellel 365 is insightful, challenging, and informative. I heartily endorse this tool of transformation - and now I challenge you to sign up and to prepare for change!"

Rev. Dr. Alistair P. Petrie
Executive Director -
Partnership Ministries

"Ellel 365 brings counsel, comfort and conviction, confrontation and consolation. It is personal and practical, pastoral and prophetic, encouraging and educating, appealing and revealing. It is Christ-centered, Holy-Spirit empowered and inspired, and to pinch a phrase from Eugene Petersen's description of the book of Revelation, it is "God-intoxicated"! I love it! I need it! I'm going to use it! So should you."

Pastor Stuart McAlpine
Christ Our Shepherd Church, Capitol Hill, Washington D.C.

"The best way to help people sort out who they are, is to provide them with an accurate picture of who God is. No one does that better than Peter Horrobin. Like any good novel or puzzle, Ellel 365 maintains interest through progressive revelation. Each day exposes a bit more of the story's plot and purpose, making the process enjoyable as well as fruitful. Think you already know the story? Take the Free Trial and my guess is that you'll want to complete this amazing voyage of discovery."

George Otis, Jr.
President, The Sentinel Group; Producer, Transformations Documentary Series

"In a world that needs God, the Father's heart, and the foundational principles of the Kingdom, Ellel 365 is a refreshing insight. Finding those who can represent God and bring restoration at this level is a rare commodity. After knowing Peter and Fiona Horrobin for many years, I know they represent the heart of God. I, myself, would trust my life with them. Ellel 365 is designed to give you a proper foundation for this journey of life."

Henry W. Wright
President and Founder of Be in Health Global

"Ellel 365 is nothing less than a goldmine of encouragement and instruction for all of God's people. It's brilliant. I am going to use it in my own bible-teaching ministry."

Johannes Facius
Author & Bible teacher. Germany

"Ellel 365 is like discovering buried treasure - simply outstanding!"

David Kyle Foster
Director, Mastering Life
Ministries, Franklin, TN

"Ellel 365 is pastoral in content and personal in application. It is designed to engage us where it finds us but not to leave us as we are. It will stimulate the mind; stir the emotions; strengthen the will; and nourish the spirit. My concern is not just to commend it to you, but to plead with you to go on the website and take a look for yourself with a view to making a new discipleship commitment to our Lord Jesus."

Rev. Jim Graham
Director of External Ministries, Gold Hill Baptist Church, Buckinghamshire, England

"I am thrilled with Ellel 365. It is a marvelous discipleship tool that can inspire you in your walk with God and teacher of the Word. I hope you can make Ellel 365 a part of your daily devotions. Each article is strong meat that boosts your spiritual diet."

J. Lee Grady
Director, The Mordecai Project
and Consulting Editor, Charisma Magazine

"I give my highest recommendation to the Ellel 365 website. It is beautiful, well organized and easily accessible. As I read the daily teachings, I was drawn into the spiritual journey toward wholeness that is offered. Peter Horrobin's insights into God's purpose in creating each of us are powerful and he is anointed with God's desire to call us to lives that are freed from sin and healed of its consequences."

Peter Tsukahira
Co-Founder and Pastor - Kehilat HaCarmel, Haifa, Israel (Director, Or HaCarmel Ministry Centre)

"Wow... what a course! What an incredible opportunity for the body of Christ. All over the globe people are coming to salvation through faith in Jesus Christ; however, too many are left in the first stages of faith without the needed discipleship to help them grow into strong, mature Christians. Ellel 365 offers an incredible opportunity to learn the ways of the Lord. I have personally been blessed by the outstanding teachings."
